

Foxes' Fun Learning Adventure

Friday, 26th June 2026

English: Magical Storytelling

Hello, Foxes! Today, we're going on a magical adventure through our imaginations! Write a summer poem. Your child could choose ice cream, seaside etc.

Ideas to help:

What can you see?

What can you feel?

What can you smell?

Remember describing words.

Maths: Shape Safari

Are you ready for a shape safari, Foxes? Let's explore your home and see how many different shapes you can find! Here are some shapes to look for:

- **Circle:** Like a clock or a yummy cookie! 🍪
- **Square:** Like a window or a picture frame! 🖼️
- **Triangle:** Like a slice of cheese or a mountain! 🏔️
- **Cube:** Like a toy block or a dice! 🎲
- **Cylinder:** Like a cup or a crayon! 🖍️

Take pictures of the shapes you find and share them with me. Let's see who can discover the most shapes. Happy hunting! 🕵️

Science: Happy and Healthy

Let's learn how to keep our bodies happy and healthy, Foxes! 🌸

Create a colorful poster showing a healthy eat-well plate. I'm excited to see your creative posters on Monday. 🌟🌈
