1. What do you like best about Elveden C of E Primary Academy?

It's small

It feels like a family

I feel listened to

Our suggestions are often taken up and the school does what we suggest

It's connected to the church

The Squirrels make me smile

Our mental health is looked after

2. What is important to you about being part of a Church school?

We pray

We have collective worship

We go to the Church

We feel part of something

It makes us part of a family

We celebrate different events

3. How do you think the school values help you to live your lives?

It helps us to forgive people

We learn to trust our friends

It makes me keep going when I find something difficult

4. Can you think about one of the school values. Have you experienced this in action either by one of your friends, one of your class mates or yourself?

It's helped me to forgive my friends when we have fallen out

I had to trust that people that came to our house when there was COVID would not give me it

I had to have a lot of trust that my mum would get better when she had COVID

Now we are going to reflect on the pandemic	Strongly Agree	Agree	Unsure	Disagree	Strongly Disagree
The school's Christian values supported me in the pandemic	5		1

I felt supported by my teacher's when returning to school.	5		1		

In your opinion what was the most important thing the school did to support you and others during the pandemic.

They gave us work to do at home

Zoom lessons

Phone calls to see if we were ok

Looking after our wellbeing

ELSA support

Activities to get us used to being back in school

Making sure that us in school were happy when the others came back
