

UKS2 Should believing in the **resurrection** change how Christians view life and death?

Prior learning:

That God came into the world in human flesh in the person of Jesus Christ. This is good news.

A cross reminds Christians of his sacrifice, but is also a sign of commitment and God's love.

In the Gospel, Jesus told parables to teach about God's Kingdom and the right way to live. Christians serve others as a response to being saved.

God offers forgiveness.

The Eucharist reminds Christians to give thanks daily.

The Holy Spirit reminds Christians God is always with them. He gives them strength.

What should we know?

Resurrection is a word Christians use at Easter. It describes their belief that Jesus was raised from the dead. Stories of the resurrected Jesus are found in the Bible.

Christians try to be a 'witnesses to the resurrection.'

Christians believe:

- That Jesus was resurrected from the dead.
- Hallelujah is a good word to use at Easter, a time of celebration.
- That death is not the end.
- The resurrection makes a difference in how to live well the right way today and how to help others to also live well.

Hallelujah!
