We will make chocolate cornflakes dinosaur nests and explore changes that take place when melting. We will learn the different names of the dinosaurs and look at fossils to help

Gross Motor Skills	to grow. Ordering the chicken lifecycle, observing the changes to fertilised eggs in an incubator, learning where food comes from. and pairing animals and their young. We will make fresh vegetable soup and discuss the changes that take place whilst cooking We will move around the farm	We will be Indian dancing and	how the planets move around each other in the Solar System and talk about different temperatures on the planets. Physical Developm We will be re- enacting the	We will be discussing healthy living and what	We will explore different ways of moving like dinosaurs whilst moving
	in different ways and negotiate obstacles.	focusing on balance.	movement of the planets.	affects foods and exercise have on our bodies.	energetically.
PE Unit	Yoga Balancablity	Gymnastics Balancability	Dance Balancability		Dance Balancability Sports day Athletics
Fine Motor Skills	We will be learning to milk a cow using rubber gloves and water, creating a farm map by cutting and sticking, as well as producing farm animal masks	We will use hammer and pins with a pumpkin, cutting and sticking baubles on trees, using playdough to make diva lamps, rangoli pattern colouring, Diwali pencil control and cutting Diwali shadow puppets.	We will use different tools when making our moon pictures and stars.	We will also look at our own health care and what we can do to stay clean and healthy. We will look at fastenings for dressing.	We will spend time strengthening dexterity and fine motor control using a palaeontology digging site.
Creating with materials	We will be making our own breads using salt dough and following instructions to make jam sandwiches. Painting pictures of farmyard animals and designing our own chickens.	We will be making Christmas crafts such as cards, calendars and Christmas decorations. We will also act out the Nativity Story and take part in role play.	Expressive Art and De We will be making textured moon paintings and mixing colours for hot and cold planets. We will decorate our own stars and be painting our own papier mache planets	We will be designing and painting a pair of royal knickers for the Queen. We will also be making our own healthy ice lollies following our own designs and ideas.	We will make salt dough fossils and models with playdough, sharing our creations and explaining how we made them.
Being imaginative and expressive	We will be performing the stories we have learnt and sing farmyard nursery rhymes.	We will perform the Nativity story and sing Christmas songs.	We will learn songs related to the facts we learn about planets.	We will be performing the stories we have learnt and sing seaside shanties.	We will use percussion instruments and create a 'dinosaur carnival'.
Charanga Unit PSED	Me! Being Me in My World	My stories Celebrating Difference	Everyone! Dreams and Goals	Healthy Me	Big Bear Funk Reflect, Rewind and Replay Relationships
(RSHE/Jigsaw- EYFS units)	world	billerence			Changing me: Growing up: how we have changed

					since we were babies
Communication and Language	We will listen to the different sounds made by the animals and imitate these. We will listen to the stories and share our ideas with each other. We will understand the repetitive language within the stories	We will use vocabulary from traditional tales to help explain what we enjoy about the stories. We will listen to others' opinions and ways of life within culture and talk about what we understand our own beliefs to be. We will share ideas about what we love at Christmas time and what it means to us.	We will talk about the stories and listen to each other's ideas. We will discuss the language used when talking about factual information surrounding the planets.	We will share our ideas with others and read our writing in class. We will listen to others writing and discuss what we like/dislike about their work whilst practising giving praise.	We will listen to the stories and discuss what we liked/disliked about them. We will share our ideas about the life of the dinosaurs and talk about non-fiction facts we have learnt.
Religious Education (Emmanuel Units)	Why is the word God so important to Christians?	Why do Christians perform Nativity plays at Christmas?	How can we help others when they need it?	Why do Christians put a cross in an Easter garden?	What makes every single person unique and precious? How can we care for our wonderful world?
Forest Schools/ Outdoor Learning	Rosie's walk – prepositions Changes – similarities and differences Comparing environments	Forest rules Forest art – hanging decorations- using natural resources	Making stars out of natural resources Making comparisons – sky night and day Cloud watching	Making dens – how could we keep shaded Can we make it waterproof? Test.	Forest rules Scavenger hunt – size language/ ordering Teamwork – creative make & do
